BRITAIN LIKELY TO CALL ECONOMIC CONFERENCE

LONDON, Dec. 12.—Foreign office attaches today officially denied a press report that Britain has requested the calling of an international economic conference similar to the meeting in progress at Washington. It was admitted, however, that the British regard an international meeting on economic issues as highly desirable. It is understood that both Premier Lloyd George and Premier Briand would gladly consent to attend.

U. S. PROVIDING FINANCIAL AID FOR FARMERS

\$120,000,000 Loaned on Credit Advances, Official Report Shows.

By W. H. ATKINS

International News Service. That the Government's promises to the farmers of adequate financial support, are being rapidly fulfilled, was shown by the War Finance Corporation's tables today showing that \$120,000,000 has been loaned in the form of export and domestic credit advances, since January 1, 1921.

Cotton exporters and producers led the list with Government loans amounting to \$47,527,000. This sum made up the bulk of advances extended to aid the exportation of agricultural products, either at the present or some future time. A great deal of the money thus loaned is upon cotton, allowed to be held in American warehouses, for later exportation.

To finance the exportation of wheat \$11,000,000 in war finance loans have been approved. Export shipments of tobacco were to the extent of \$2,395,000. Other advances for exports were: Condensed milk, \$1,000,000; dried fruit, \$1,250,000; meat products, \$1,000,000; railroad equipment, \$2,925,000.

GIRL FOUND ON ROAD DIES OF BROKEN SKULL

HOLLAND, Mich., Dec. 12.—Miss Della Heneveld, seventeen, of Fremont, Mich., who was a freshman at Hope College, died of injuries she received in a mysterious way after she had started to walk toward Holland from a house a few miles away. Walter F. Hanna, of Grand Rapids, says he was driving down the road and saw the body of the girl lying by the side of the pavement.

On investigation he discovered that her skull was fractured. It is thought that she may have been struck by a passing automobile which sped away after the accident, but as there are no serious body injuries foul play is suspected.
